# Showhome designer service

## Why GillmoreSPACE? Service description

The showhome service from GillmoreSPACE is built specifically to meet the furniture needs of interior designers operating in the showhome industry. This means any professional instructed by house builders or private clients to dress residential property for a faster and more profitable sale.

The aim of this service is to provide a consistent and reliable source of contemporary

furniture for designers under increasing pressure from clients to install impressive showhomes quickly and within budget.

## Key benefits Helping your business

- Enhance your client presentations with comprehensive product information
- Save time and hassle when ordering furniture
- Impress your clients with exclusive contemporary designs
- Save money and increase your project profitability

## From us to you How to get started

The service is available to any interior design business large or small that is selling showhome design services to property developers. On receipt of the trade account application form a full trade service support pack will be posted that includes a full product catalogue and material swatch pack. Purchase orders can be sent to us via telephone, fax, email or online.

Product delivery will then commence as early as the following day depending on product availability and your project deadline. Weekly product and service updates are delivered to your desk via email and one of our sales team will visit your premises at least once a year in order to listen to your needs and adapt our products and services accordingly.

## Prices How much does it cost?

There is no set up fee for this service and no minimum order restrictions. The service is supported by a competitive trade price list with further discount options available for stock ordering.

Setting a price bench mark for contemporary British design, our keen prices are just one element of an all round package built on value for money.
